COMMERCIAL TERMS

- 10** PLUS will pay a commission from the Gross price list

10.1 International Mix

PLUS generally operates summer campuses with a good international student mix. It may happen, from time to time, by causes outside of PLUS' control that a group cancels or does not turn up at short notice.

If, 30 days prior to arrival, the availability of a centre has a level of international mix which differs from what the Partner was initially informed of by the PLUS sales representative, PLUS will inform the Partner accordingly.

If the Partner's priority is international mix, PLUS will advise on the availability of alternative centres which can guarantee the above.

The alternative centre will be as similar as possible to the one initially chosen.

At no point will PLUS require the Partner to pay an extra amount for this change or vice versa.

Having accepted the new centre, the Partner will not have any right to ask for any compensation or to raise a complaint.

The Partner will guarantee the number of students present by locking the Roster (on Vision) 30 days before departure.

Any cancellations will strictly follow PLUS' cancellation terms and conditions.

10.2 Rosters

The Partner understands that each Group must be confirmed 30 days before departure and the roster will be locked.

Any changes in the numbers of students need to be advised to the sales representative by quoting the relevant group reference.

Cancellation charges will apply as per PLUS terms and conditions.

Any student who is not on the booking system (Vision) will NOT be accommodated on campus.

The following information is compulsory and must be completed on the roster:

- Student health/medical history
- Any current medication
- Any special dietary requirements
- An emergency phone number (parent/guardian/agent)
- Parental consent for students to be included in any still and/or moving image video footage, photographs.

10.3 Excursions

Planned Excursions

It is understood that the Partner has duly informed students & group leaders that all participants need to be ready to depart on any planned excursion as communicated and displayed on the Master board by the PLUS local campus manager.

In case the groups are not present on the departure date/time the coach is free to depart without the students. It is understood that this excursion will be treated as a 'lost excursion' and the Partner cannot request to reschedule or request a refund.

PLUS will provide students with a presentation for each planned excursion as per our website.

The walking tour is available on the PLUS App; a printed version will also be available in the campus manager's office if requested.

A request needs to be put forward 48 hours before the departure date/time to the campus manager for the quantity of printed walking tours that are required for the group.

No presentation/video or printed walking tour will be available for extra excursions which are not published as planned excursions.

To maintain PLUS' safeguarding requirements based on an adult/child ratio of 1:15, PLUS will provide adequate staff to accompany groups on excursions.

It is understood that PLUS staff are not professional guides but will provide assistance during the excursion.

In case a Partner requests a member of staff to be present on an extra excursion these need to be booked in advance (30 days before arrival) and will be at an additional cost.

The sales person will advise on the price. In case a professional Blue Badge guide is requested, PLUS Head Office needs to be informed at least 30 days prior to arrival for this service to be booked and is subject to availability.

Price varies from location to location and the PLUS sales department will advise on payment terms and conditions.

10.4 Add-ons

For any extra excursions and/or attractions the PLUS Add-on form needs to be submitted

45 days before arrival. When filling out the form all procedures and relevant payments terms need to be followed.

It is understood that in case the terms are not followed, no booking will be processed and at no time can the Partner request compensation.

The Partner can request a specific date or time for when the excursion or attraction needs to take place but PLUS cannot guarantee the dates, as all bookings are subject to availability.

In the event that desired dates are not available, PLUS will inform the Partner and any payment made can be used as credit for another extra excursion/attraction or can be refunded.

PLUS assumes no responsibility for any changes to the above nor be asked to pay any difference in costs for alternatives that the Partner may be booking.

10.4.1 Coach prices

Surcharges may occur when coaches are not paid for on time due to the high level of demand during the summer months.

If the terms and conditions of payment are not strictly followed the above request will be automatically cancelled. If the amount is received after the deadline, the money will be sent back to the agency and a new request needs to be put forward. No compensation can be requested.

10.4.2 Attractions

In the event that an attraction is not available on dates requested, PLUS will inform the Partner no later than 48 hours after payment is received.

PLUS will refund the money for the relevant attraction(s), at which point PLUS cannot be held responsible for any extra costs the partner may incur for the same or similar attractions.

Any extra attractions which may cause students to miss included services on those specific dates for when the extra attraction or excursion is taking place e.g. loss of English lessons, activities etc. will be treated as 'lost services' and no alternative will be offered; no request for compensation can be made by the Partner. PLUS will inform the Partner of these lost services.

Any difference from the PLUS standard package advertised on the website www.plus-ed.com will need to be confirmed in writing to the sales representative.

10.5 Accommodation changes

In some Centres e.g. Windsor, students will be accommodated in Halls of residence (duly explained on the website) separated by gender as per the college's terms. It is understood that the Partner has accepted and informed all relevant clients.

- It is understood that for logistical reasons PLUS services may be subject to change although all services purchased as per our website will be delivered.
- The planned timetable will be available 21 days before arrival and can be downloaded from the Agent area on Vision.

10.8 Complaints

Any complaint needs to be put in writing to PLUS Head Office while your group is either in Europe or the USA.

In order for PLUS to deal with any complaint it is understood that the Partner will follow these steps:

- 1) Complaints need to be addressed (in writing) to the Campus Manager whose details can be found in the Agent area on Vision.
- 2) Please include the group's reference number in the email subject line.
- 3) Please CC Plus Head office at plus@plus-ed.com and your sales representative.
- 4) All complaints will be dealt with within 48 hours. The Partner will receive a full report and/or on any solutions.

Notes:

In the event that a Partner does not provide a written complaint while the group(s) is on campus and provide PLUS with the possibility of investigating the issue, the complaint

cannot be submitted once students return to their own country. Any request for compensation will then be automatically void.

10.9 Change of Dates

If, within 30 days of departure, the Partner advises of a change of date(s) this may incur additional costs assuming they still require the same type of services published on the PLUS website.

By changing dates some services may be lost due to a centre's schedule having been pre-planned.

PLUS will inform the Partner on any extra costs (if applicable).

10.10 Medical Assistance

As a service provider of education and language courses, PLUS is not responsible for providing professional medical assistance.

Each Partner should ensure their group(s) have full travel insurance as per our terms and conditions.
